#19-041

WHEREAS, the Monroe County Water Authority (the “Authority”) has an intent to finance the costs of certain capital improvements for Phase 2 of Genesee County’s water supply project, including (i) installing new water mains, (ii) increasing the Authority’s ability to deliver water to Genesee County by expanding certain existing pump stations or installing additional pump stations, and (vii) any incidental improvements related thereto (the “Project”); and

WHEREAS, the Internal Revenue Code and applicable regulations require the Authority to take this action in connection with the payment of certain expenses of the Project prior to the issuance of tax-exempt bonds, to allow the Authority to be reimbursed for such expenditures.

NOW THEREFORE, BE IT RESOLVED by the Members of the Authority:

Statement of Official Intent. The statements in this resolution regarding the reimbursement of expenditures of the Project are intended to be statements of official intent as required by, and in conformance with, Treasury Regulations Section 1.150-2(e).

Timing of Expenditures. The expenditures to be reimbursed have been incurred within 60 days prior to the date hereof (or earlier to the extent permitted under the regulations) or will be incurred after the date hereof in connection with the Project.

Expected Amount of Debt to be Issued. The maximum principal amount of debt expected to be issued for the Project is \$20,000,000. This figure includes allowances for debt service reserve funds or other credit enhancement and debt issuance costs.

Intent to Reimburse. The Authority reasonably expects to reimburse the expenditures described in this resolution with the proceeds of tax-exempt debt to be issued by the Authority subsequent to the date hereof, but this resolution does not constitute a binding obligation to issue such debt.

Effective Date. This resolution shall take effect immediately.
