Subject: Recommendation for Bid Award Copies:

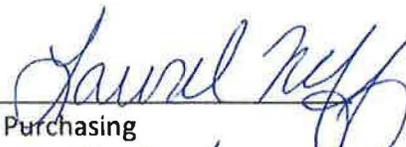

Bids were received on August 28, 2025 for **Broadcom/VMWare VSphere Foundation Licensing**. The apparent low responsive responsible bidder was CDW Government, with a bid of \$36,576.00 for one year.

One other bid was received from Insight in the amount of \$38,743.68. However, they were determined to be non-responsive as they failed to return the signed Proposal and Affirmation of Understanding that were required in the bid documents.

I recommend that the bid be awarded to the low responsive, responsible bidder.
