

Monroe County Water Authority

Memorandum

To: Board Members

Date: February 4, 2026

From: Nicholas Noce, Executive Director

Subject: **Regular Board Meeting – Thursday, February 12, 2026 @ 9:00 a.m.
Board Room, 475 Norris Drive**

AGENDA ITEMS:

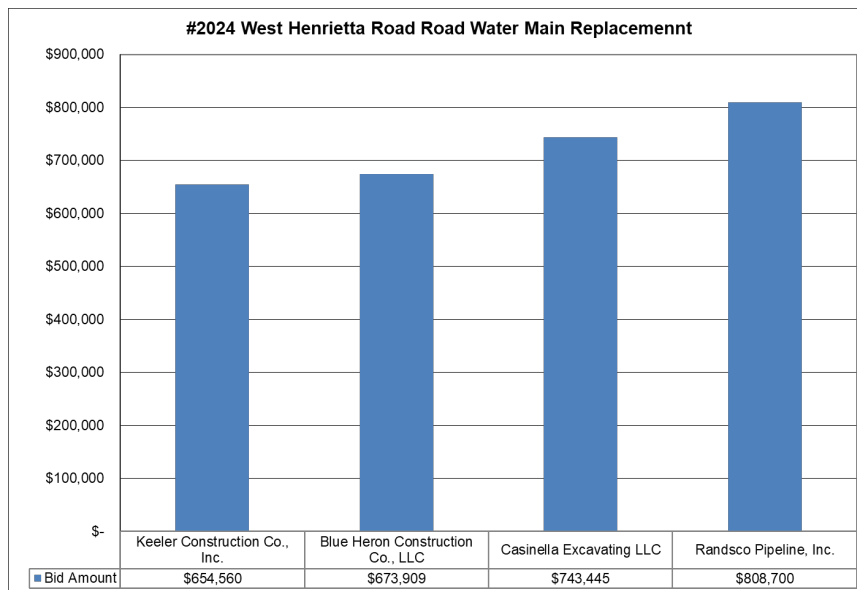

1. Personnel Items (*Memorandums enclosed*):

- Appointment of Joseph Diebold, Jr. to the title of Cyber Security Coordinator in the Information Technology Department. Mr. Diebold recently was a Systems Administrator for Monroe Community Hospital. See enclosed memorandum from Justin Moore.
 - Appointment of Conor Doherty to the title of Network Technician in the Information Technology Department. Mr. Doherty most recently employed by Greece Central School District as a Computer Support Assistant. See enclosed memorandum from Justin Moore.
 - Promotional Appointment of Scott Rawlins to the title of Maintenance Mechanic II in the Production/Transmission Department. Mr. Rawlins has been with the Authority for over 25 years. See enclosed memorandum from Christopher LaManna.
 - Promotional Appointment of Jacob Sherman to the title of Maintenance Mechanic II in the Production/Transmission Department. Mr. Sherman has been with the Authority for 4 years. See enclosed memorandum from Christopher LaManna.
 - Promotional Appointment of Jacob Olyer to the title of Skilled Laborer in the Meter Services Area. Mr. Olyer has gained the skills over the past year to be promoted to the next level. See enclosed memorandum from Gregg Ippolito.
2. There is an item on the agenda to authorize the award of a unit price contract for Clow/Eddy Hydrant Parts.
3. There is an item on the agenda to authorize the award of a unit price contract for Mueller Hydrant Parts.
4. There is an item on the agenda to authorize use of NYS OGS Contract for the as needed Rental of Heavy Equipment.

5. There is an item on the agenda to award a unit price contract for the Shoremont WTP and Webster WTP Intake Cleaning and Repairs project, which includes inspection, cleaning, and completing minor repairs for the Shoremont and Webster WTPs intake cribs; removal of zebra mussels and other debris from the wet wells at the Low Lift Pump Stations No. 1 and No. 2; and inspection of the Denise and Parrish Reservoirs. Although five companies obtained bid documents, only one responsive bid was received for this specialty-type work from Bidco Marine Group, Inc. (Buffalo, NY) in the amount of \$947,150. This contract includes multiple contingency unit price items that are not typically utilized each year. We anticipate the actual value of the first year of the contract will range between \$250,000 and \$300,000 to complete the work required, and decrease to range between \$150,000 and \$200,000 for subsequent years.

This contract is a unit price contract for an initial one-year term, with the option to extend for up to four additional one-year terms upon mutual consent. Our recommendation is to award this contract to Bidco Marine Group, Inc. for the bid amount of \$947,150. Bidco Marine Group, Inc. has successfully completed similar work for the Authority in the past.

6. There is an item on the agenda to approve a payment to Brighton Campus Park, for granting two permanent easements on their property located at 2024 West Henrietta Road. The permanent easements will be used for the construction of a replacement water main to be installed as part of the #2024 West Henrietta Road Water Main Replacement project. The payment amount is based on an appraisal of the property as prepared by GAR Appraisal LLC.
7. There is an item on the agenda to award a contract for the #2024 West Henrietta Road Water Main Replacement project in the town of Brighton. The project involves the installation of approximately 1,880 lineal feet of 8" PVC water main and 15 lineal feet of 8" ductile iron water main at #2024 West Henrietta Road. There were four bids received. Our recommendation is to award this work to Keeler Construction Co. Inc. in the bid amount of \$654,560.

8. The Authority's Standard Procurement Compliance Resolution.

In Board Folders for Review:

- Routine Monthly Informational Reports and/or Updates
- RFP/Q for Copier Refresh
- RFP/Q for Data Base Administration
- RFP for Annual Occupational Audio Exams

There may be additional items presented for discussion and/or notification.

Memorandum

To: Nicholas Noce, Executive Director

Date: February 2, 2026

From: ^{JMM} Justin Moore, Manager of Information Technology

Subject: Recommendation to Hire

Copies: D. Hendrickson

I would like to recommend the appointment of Joseph Diebold Jr. to the position of Cyber Security Coordinator in the Information Technology Department.

Joe holds a Bachelor's of Science Degree in Information Technology from the Rochester Institute of Technology. Furthermore, he has 20 years experience working in numerous roles within the IT field. Joe interviewed favorably, and was the candidate selected for this position from the current Civil Service list for this title.

Joe's appointment will be effective March 2, 2026 with an annual salary of \$105,726.00.

Maintenance Mechanic II – Scott Rawlins

Copies: D.Hendrickson
L.Magguilli
E.Young
N.Satter

I recommend the promotional appointment of Scott Rawlins to the position of Maintenance Mechanic II in the Production and Transmission Department. The Department has a need for this position in the Mechanical Maintenance group based at the Shoremont Water Treatment Plant. Mr. Rawlins has been with the Authority since October 2000 and has performed well. He has the required experience and has demonstrated the capabilities necessary to meet the requirements of the position.

If approved at the February 12, 2026 Board meeting, Mr. Rawlins' appointment to this position will be effective Monday, February 16, 2026 at an hourly rate of \$41.20.

MEMORANDUM

To: Amy Molinari, Director of Finance & Business Services Date: 1/27/26

From: Gregg Ippolito, Manager of Meter Services & Security

Subject: Recommendation for Promotion Copies: Diane Hendrickson

I would like to recommend the promotion of Jake Olyer to the position of Skilled Laborer in the Meter Services Department.

Jake has been working as a meter reader in the Meter Services Department since October 2024. Jake is an extremely dependable, dedicated and valuable member of our department. Jake has become one of our most productive and efficient meter readers. This promotion will allow Jake to build his knowledge and skill set in all areas of the Meter Services Department.

If approved, Mr. Olyer's promotional appointment will be effective February 16, 2026 at an hourly rate of \$26.51.

File: 25-S04 #3

Subject: February 12, 2026 Board Meeting - Agenda Item
Shoremont WTP and Webster WTP
Intake Cleaning and Repairs

Copies: N. Noce
L. Magguilli
D. Hendrickson
M. Cavallaro

Attached are the results of the bid opening on January 27, 2026, for the above project. The unit price contract involves the inspection, cleaning, and minor repairs at the Shoremont and Webster Water Treatment Plants (WTPs) intake cribs; removal of zebra mussels and other debris from the wet wells at Low Lift Pump Stations No. 1 and No. 2; and inspection of the Denise and Parrish reservoirs. One bid was received in the amount of \$947,150.00. Bidco Marine Group, Inc. submitted the lowest bid. The Engineer's estimate was \$603,600.00. A bid tabulation sheet is attached.

Our staff has conducted a thorough review of the bid package and qualifications. Based on Bidco Marine Group, Inc.'s qualifications and past performance with the Authority, it is my recommendation that the Board authorize the Executive Director to award this unit price contract to the lowest responsive, responsible bidder, Bidco Marine Group, Inc., for the amount of \$947,150.00.

Monroe County Water Authority

Memorandum

To: Nicholas Noce, Executive Director
Laurel Neff, Purchasing

From: Stephen M. Savage, P.E., Director of Engineering

Subject: February 12, 2026 Board Meeting - Agenda Item
#2024 West Henrietta Road Water Main Replacement
Town of Brighton

Date: January 26, 2026

File: 25-017, #3

Copies: D. Hendrickson
T. Stevens, P.E.
A. Ashley

Attached are the results of the bid opening on January 20, 2026 for the above project. The project involves the installation of approximately 1,880 lineal feet of 8" PVC water main and 15 lineal feet of 8" ductile iron water main at #2024 West Henrietta Road in the town of Brighton. Five contractors submitted bids ranging from \$438,802 to \$808,700; the Engineer's estimate was \$568,755. A bid tabulation sheet is attached.

Rochester Platinum Services LLC submitted an incomplete Bid package as required in Section 1, Article 7 and Article 15 of the Bid Documents and are therefore non-responsive.

Keeler Construction Co., Inc. submitted the lowest responsive bid of \$654,560. Staff has conducted a thorough review of the bid package including experience; financial status, references, and other related items as required, indicating that Keeler Construction Co. Inc. is capable of completing the work. Keeler Construction Co., Inc. has also successfully completed similar projects for the Water Authority.

Based on the staff review of Keeler Construction Co. Inc.'s qualifications, it is my recommendation that the Board authorize the Executive Director to award this contract to the lowest responsive, responsible bidder; Keeler Construction Co. Inc. for the amount of \$654,560.
