#26-095 WHEREAS, the Monroe County Water Authority (the "Authority") is replacing approximately 4,385 linear feet of existing 6-inch cast iron water main with new 6-inch ductile iron water main and appurtenances (with Authority Engineering No. 25-021) on Helendale Road in the Town of Irondequoit, County of Monroe, Zip Code 14609 (the "Project");

MONROE COUNTY WATER AUTHORITY
Regular Meeting – May 14, 2026

WHEREAS, the Project is necessary because the current water main no longer provides reliable service to the Authority's customers;

WHEREAS, the acquisition of 37 permanent easements from 37 property owners in the Town of Irondequoit along the Project is necessary for the construction, installation, operation, and maintenance of the Project;

WHEREAS, the Authority has acquired 28 permanent easements necessary for the construction, installation, operation, and maintenance of the Project;

WHEREAS, the remaining nine (9) permanent easements necessary for the Project are described on Attachment "A" to this Resolution (the "Easements");

WHEREAS, the Authority has considered whether the acquisition of the Easements is de minimis in nature so that the public interest will not be prejudiced thereby;

WHEREAS, the Authority has considered whether the delay of the acquisition of the Easements will cause harm to the public.

NOW, THEREFORE, it is

RESOLVED, that the Easements, which shall be 15 feet wide and run along the frontage of the properties located on Helendale Road in the Town of Irondequoit, as further described on Attachment "A" to this Resolution, and its appendices, is necessary to the Project, and it is

FURTHER RESOLVED, that the public use, benefit, or purpose of the acquisition of the Easements is to allow the completion of the construction, installation, operation, and maintenance of the Project, which will provide potable water and water for fire protection to residents in the Town of Irondequoit; and it is

FURTHER RESOLVED, that the exercise of the power of eminent domain is appropriate and necessary to acquire the Easements for the completion of the construction, installation, operation, and maintenance of the Project; and it is

FURTHER RESOLVED, that the acquisition of the Easements is de minimis in nature so that the public interest will not be prejudiced; and it is

FURTHER RESOLVED, that any delay in the Authority obtaining immediate possession of the Easements will cause harm to the public; and it is

FURTHER RESOLVED, that the Executive Director, or any agent he may designate, is authorized to proceed immediately to acquire the Easements through exercise of the Authority's power of eminent domain pursuant to the provisions of New York State's Eminent Domain Procedure Law ("EDPL"); and it is

FURTHER RESOLVED, that public interests will be prejudiced by delay and, accordingly, the Executive Director, or any agent he may designate, is authorized to petition a court of competent jurisdiction for immediate possession and right of entry pursuant to EDPL §402 (B) (6) and/or to pursue any other lawful method of taking the Easements ("Condemnation Action"); and it is

FURTHER RESOLVED, that the Executive Director, or any agent he may designate, shall retain the authority to negotiate the purchase of the Easements on terms determined reasonable by him during the pendency of the Condemnation Action should that course of action be deemed by him to be feasible and desirable; and it is

FURTHER RESOLVED, that the Executive Director, or any agent he may designate, shall execute any and all documents necessary in the opinion of counsel to the Authority to give effect to the resolutions made herein; and it is

FURTHER RESOLVED, that the Executive Director shall have the authority to take such other actions as he deems advisable and necessary in relation to obtaining the Easements.
